

**Get the most value for your
energy dollar...get G.A.S.
\$45 for a limited time**

A professional "Gas Appliance Service" inspection by Okaloosa Gas technicians will make certain that all of your natural gas appliances are operating efficiently. The inspection includes testing your home for carbon monoxide levels for the safety of your family. There's a nominal fee of \$45 which can be added to your bill.

Call us today to schedule your G.A.S. Inspection!
